

Change a child's life!

With extreme poverty and many orphaned, the only chance of an education for some Ugandan children is through sponsorship.

Sponsorship provides the opportunity for a good education and two meals at school—which is sometimes the only food a child will get in a day.

We have many children waiting to be able to go to school. You can help!

HOW MUCH DOES IT COST?

Single annual payment of \$335 or monthly payments of \$28

What the sponsorship covers:

- All school fees and uniform
- Breakfast and lunch at school
- Books and requirements
- Medical treatment if needed

We have Ugandan personnel on the ground investigating and supporting the children and families.
